Welcome! Friends

The Welcome Ministry is the *service ministry* of Grove Street Christian Church. We are the ushers, greeters, parking lot workers, and security team of GSCC. We have the awesome privilege of serving the Lord, by serving the people.

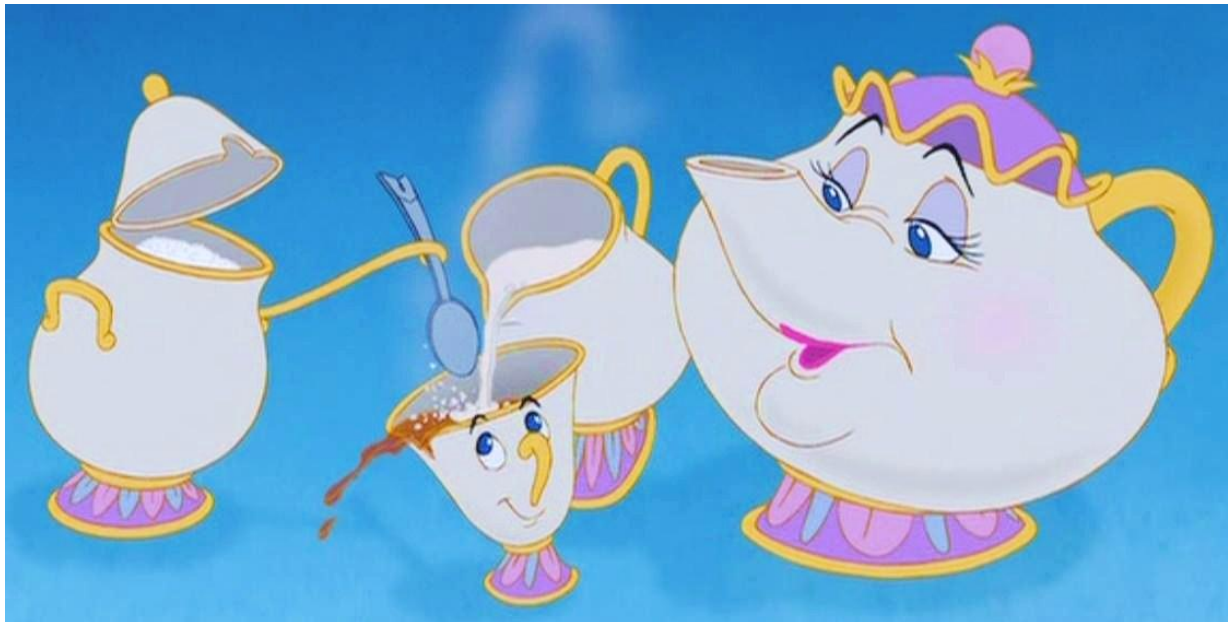

Our group is made up of wonderful church members in service of the Lord, having a great time as we make sure every service runs smoothly. Our wish is to see every servant-minister grow in Christ as they serve Him during our services.

Would you like to Join Us? Come and be a part of something greater than yourself. Become an usher, greeter or parking lot worker. We need teams to simply fill the backs of pews with envelopes. There is something for everyone as you serve the Lord.

Lessons For Growth

Bringing people closer to the Lord is a wonderful mission in life. It is in fact Gods great commission for us. We believe that by being as warm, friendly and welcoming, as Jesus taught us to be, enables others that come as our guests to recognize the love of Christ as we extend it to them. We feel that love, kindness and compassion are contagious and when treated with respect, causes people to want to share that love with others.

Stay for Coffee Hour and meet the Pastor!
