

# Meet the Instructors

Both Sandy & Ellen are moms, Church Elders and lifetime members of our church. They have influenced the spiritual up-bringing of children for generations and we are so lucky to have them as our Sunday school Teachers. Rev. Girling, a Grandfather himself, conducts children's lessons during services and runs the Adult Bible Studies, on Wednesday nights. Sandy teaches the youngest class for kids that can't yet read, Ellen teaches the children that can read up to middle school and our pastor tends to the rest of our flock. Our kids love going to Sunday school! Much thanks to their long term dedication to our religious education.

# Kids Sunday School

Grove Street Sunday School provides religious education for children and youth from all faith traditions, churches, and denominations.

The program includes: unique religious study of discovery, with techniques that engages the whole child, hands, heart, mind and senses.

There is an emphasis on the spirituality of childhood as we experience our stories from the Judeo-Christian heritage and worship together in a church community that emphasizes peace, love, and service as the basis of our life together.

Sunday School is held during church services after the pastors children's moment and like public school is recessed during the summer. This allows children to participate in regular church serves as well.

Veggie Tales help us learn Gods word

# Adult Bible Studies

The study of the Bible has so much to offer – passionate philosophies, fascinating histories, and inspiring music and culture.

But how can we take advantage of these treasures when we don't really understand them and are too busy – or, perhaps, timid or intimidated – to ask the questions we really want to ask? And who do we ask? The answer is easy, Grove Street Christian Church.

All questions are respected and the pathway to understanding is celebrated. Adult Bible studies are usually informal and the topics to be explored in the Bible, are chosen by our members.

*"People were bringing little children to Jesus to have him touch them, but the disciples rebuked them. When Jesus saw this, he was indignant. He said to them, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. I tell you the truth, anyone who will not receive the kingdom of God like a little child will never enter it." And he took the children in his arms, put his hands on them and blessed them." Mark 10:13-16*
